

Costs and Limitations of Certified Health IT (EMA and EMA Mobile)

Capability and Description	Costs or Fees	Contractual Limitations	Technical or Practical Limitations
<p>Capability: EMA and EMA Mobile</p> <p>Description: Modernizing Medicine’s electronic medical record system.</p> <p>Relevant Certification Criteria: See chpl.healthit.gov for list of certification criteria applicable to EMA and EMA Mobile.</p>	<p>Modernizing Medicine charges certain one-time and ongoing fees in connection with EMA and EMA Mobile. Users may also be required to reimburse the cost of certain third party fees and pay the cost of certain of Modernizing Medicine’s out-of-pocket and travel related costs for services such as training and implementation.</p>	<p>Modernizing Medicine’s customers are required to enter into contracts in forms acceptable to Modernizing Medicine in order to use Modernizing Medicine’s products and services. Such contracts, among other things, set forth certain rights and obligations of the customer and Modernizing Medicine, product pricing and payment terms, limitations on the use of products and services (e.g., limitations on number and type of users) and other terms. The duration of such contracts may vary.</p>	<p>Modernizing Medicine recommends that EMA and EMA Mobile be used in conjunction with hardware and internet connections that meet certain minimum specifications. Those specifications are available upon request. Customers may need to download the EMA Mobile app (including updated versions that may be released from time to time) onto their mobile device.</p> <p>Clients must go through an identity proofing process before its first user begins using EMA or EMA Mobile in a production environment.</p> <p>Certain analytics functionality may only be provided to named users.</p>
<p>Capability: Lab Interface</p> <p>Description: Interface between EMA and participating third party laboratories for the receipt of inbound lab results and the transmission of lab orders. Modernizing Medicine also</p>	<p>Modernizing Medicine does not charge its EMA customers an additional fee for the use of interfaces between EMA and third party laboratories. Modernizing Medicine</p>	<p>Clients may only use lab interfaces within the service guidelines specified in their agreements with Modernizing Medicine.</p>	<p>Use of an interface with a third party laboratory may require the establishment of an interface between Modernizing Medicine and the applicable laboratory. The cooperation of the third party laboratory may be required to establish the interface.</p>

<p>offers certain functionality for “in-house” laboratories such as its Pathology module.</p> <p>Relevant Certification Criteria:</p> <p><i>2014 Edition Certified Products:</i> 170.314(b)(5) Incorporate lab tests and results.</p>	<p>does charge the third party laboratories fees. Modernizing Medicine may charge its EMA customers certain fees for its Pathology module or other “in house” laboratory functionality.</p>		<p>Use of a third party laboratory interface is dependent on the third party laboratory maintaining a functioning interface with Modernizing Medicine and transmitting results and receiving orders in the format required by Modernizing Medicine.</p>
<p>Capability: Electronic Prescribing of Controlled Substances (“EPCS”)</p> <p>Description: The ability to electronically transmit prescriptions for certain controlled substances.</p> <p>Relevant Certification Criteria:</p> <p><i>2014 Edition Certified Products:</i> 170.314(b)(3) Electronic prescribing; 170.314(a)(2) drug-drug, drug-allergy interaction checking</p> <p><i>2015 Edition Certified Products:</i> 170.315(b)(3) Electronic prescribing; 170.315(a)(4) drug-drug, drug-allergy interaction checks for CPOE</p>	<p>Modernizing Medicine charges a per provider subscription fee for EPCS functionality. The fee is usually structured as a monthly or annual per provider fee. An additional set-up fee may also be charged. Additional amounts may be charged for required two-factor authentication tokens.</p>	<p>Contracts governing EPCS generally are for a defined term and may specify the types and numbers of users permitted to use the functionality. EPCS may only be used pursuant to the service guidelines specified in the agreement.</p>	<p>Prescribers of controlled substance are required to take part in an identification proofing process prior to being permitted to e-prescribe. The identification proofing process includes providing personal information to a third party to confirm the prescriber’s identity.</p> <p>Electronic prescribing of controlled substances requires the prescriber to take additional steps not required for non-controlled substance prescribing. These steps include certain additional identity authentication requirements, which require providers to register with third party service providers.</p>

<p>Capability: Direct Mail</p> <p>Description: Ability for users to send and receive electronic messages to other users that are part of the Direct Trust network or HISPs with which Modernizing Medicine’s third party direct messaging vendor has a trust agreement.</p> <p>Relevant Certification Criteria:</p> <p><i>2014 Edition Certified Products:</i> 170.314(b)(1), (b)(2) and (h)(1)</p> <p><i>2015 Edition Certified Products:</i> 170.315(b)(1), (b)(2) and (h)(1)</p>	<p>No additional fee charged. Clients remain responsible for EHR subscription fees.</p>	<p>Direct Mail may only be used pursuant to the service guidelines specified in the agreement.</p>	<p>Use of this capability is dependent on Modernizing Medicine maintaining its relationship with a third party direct messaging vendor.</p> <p>Direct Mail requires the user to take additional registration steps, which include certain additional identity authentication requirements.</p> <p>Messages may only be sent to users that are part of the Direct Trust network or HISPs with which Modernizing Medicine’s third party direct messaging vendor has a trust agreement.</p>
<p>Capability: Specialized Registries and Clinical Data Registries</p> <p>Description: Disease specific registries owned and operated by Modernizing Medicine, Inc. which are intended to be (i) “specialized registries” as defined by the Specialized Registry Reporting Measure of the Medicare Advancing Care Information Transition Objectives; (ii) “clinical data registries” as defined by the Medicare Clinical Data Registry Reporting Measure of the Advancing Care Information Objectives; and (iii) “clinical data</p>	<p>No additional fee charged to EMA customers for participation in Modernizing Medicine’s registries. Clients remain responsible for EHR subscription fees. Certain supplemental analytics functionality and reports and the provision of certain analytics functionality and reports to certain users may require the payment of additional fees.</p>	<p>The agreement governing participation in Modernizing Medicine’s registries restricts the ability of users to use and disclose certain third party information provided by Modernizing Medicine to registry participants.</p> <p>Specialized registries/clinical data registries may only be used pursuant to the service guidelines specified in the</p>	<p>Certain analytics functionality may only be provided to named users.</p> <p>Modernizing Medicine may not interface with certain third party registries.</p> <p>The cooperation of the third party registries may be required to establish certain interfaces.</p> <p>Modernizing Medicine’s specialized registries/clinical data registries may not be available to certain white label customers of EMA and EMA Mobile.</p>

<p>registries” as defined by the Medicaid Clinical Data Registry Reporting Measure of the Medicaid Meaningful Use Public Health Reporting Objective .</p> <p>Modernizing Medicine also interfaces with certain third party registries.</p> <p>Relevant Certification Criteria: Not applicable</p>	<p>Certain customers may be required to pay a fee in order to use interfaces with certain third party registries.</p>	<p>agreement.</p>	
<p>Capability: Qualified Registry for MIPS Data Submission</p> <p>Description: Modernizing Medicine offers certain MIPS measure automation and data transmission services to its EMA customers.</p> <p>Relevant Certification Criteria: Not applicable</p>	<p>A monthly or annual fee is typically charged for the quality module that is part of this service. The fee may be bundled into the fee for EMA.</p>	<p>The registry may only be used pursuant to the service guidelines specified in the agreement.</p>	<p>Providers are required to take certain actions before data is submitted to the registry. Certain providers may be required to submit data through a third party registry in certain circumstances.</p>
<p>Capability: Telehealth Module</p> <p>Description: Modernizing Medicine’s telemedicine module that is designed to enable EMA to receive certain telehealth data from Modernizing Medicine’s telehealth application and to transmit certain telehealth data to the telehealth application.</p> <p>Relevant Certification Criteria: Not applicable</p>	<p>Modernizing Medicine may charge a per case fee for submitted telehealth cases. Clients are responsible for paying any fees charged by third party payment processors. Modernizing Medicine offers a Telehealth Business Advisory Service for an additional fee. This service is typically required to be</p>	<p>The Telehealth Module may only be used pursuant to the service guidelines specified in the agreement.</p>	<p>Patients are required to download a telehealth app in order to use the service.</p> <p>The Telehealth Module is primarily designed for use by dermatologists.</p>

	maintained for a period of time.		
<p>Capability: Analytics Module</p> <p>Description: A module for EMA designed to provide certain analytical tools and reports to its users.</p> <p>Relevant Certification Criteria: Not applicable</p>	<p>Modernizing Medicine may charge certain monthly fees for use of the Analytics Module. The fee may be bundled into the fee for EMA.</p>	<p>The Analytics Module may only be used pursuant to the service guidelines specified in the agreement.</p>	<p>Certain analytics functionality may only be provided to named users.</p>
<p>Capability: Compliance Advisory Services</p> <p>Description: A service that provides advice to participating clients in connection with MIPS.</p> <p>Relevant Certification Criteria: Not applicable</p>	<p>Modernizing Medicine typically charges either a per provider monthly fee or a one time fee depending on the type of advisory service.</p>	<p>Contracts generally are for a defined term and may specify the types and numbers of users permitted to use the service. Clients must follow service guidelines specified in the agreement.</p>	<p>Practices are typically required to appoint a single point of contact to interface with the practice's client advisor.</p>
<p>Capability: Application Program Interface ("API")</p> <p>Description: The API allows the EHR application to receive a request from another software component with enough information about the patient to identify the patient and provide the patient summary of record according to specific certification criteria.</p> <p>Relevant Certification Criteria:</p>	<p>No additional fee charged. Clients remain responsible for EHR subscription or licensing fees.</p>	<p>Client may only use the API within specified service guidelines.</p>	<p>Clients are responsible for obtaining a SSL certificate from a third party.</p>
